### School dinners:

Following from the message on MCAS. Before half term we met with Knowsley Catering who provide our school dinners to discuss their service and costs. They explained to us that the cost of a lunch at KNPA is significantly cheaper than other school they serve, which partly explained the increases in our billing. Due to the increase in food costs and staffing costs, we have been advised to raise the price of our meals to £2.50, which we are also told is in line with or less expensive than their other primary schools. After the notice period, today we raised the lunch price, which will remain in place from Monday 2<sup>nd</sup> March 2026. Raising costs is not something we do lightly but I hope you understand the rationale and that it is been the same cost for over seven years. With thanks.

### World Book Day:

World Book Day takes place on Thursday 5<sup>th</sup> March 2024. As you know, World Book Day celebrates the joy of books and a fantastic story. Every year we are overwhelmed by the enthusiasm of our school community for it.

Following on from the information given, in keeping with tradition and the children’s request, all children **who want to** can dress up as their favourite character - this can be one item as an accessory or a costume they have created.

Most importantly, throughout the day, children will take part in a range of activities planned by our staff that celebrate the joy of reading.

We also have a very exciting event planned for parents on World Book Day. If you can, you are invited to come and join us from 2:15pm onwards for our Parents In The Classroom reading event.

Dressing up is an option ... reading is for everyone.
